

Who we are:

Our Mission: Illinois Valley Youth Enrichment Association enriches the lives of our youth by instilling in them a sense of pride, self worth, and the importance of community.

This association was begun at the request of Patrick Allen while he was a high school senior looking for a way to help others and make a positive difference in our community.

Projects

We started out working to raise funds for a student to participate on in international musical performance tour with the Oregon Ambassadors of Music in 2015.

In 2016 we began our Holiday Stocking drives. Each year since, we have provided approx. 500 filled Holiday Stockings to every student at 3 local elementary schools.

This is accomplished by giving the filled stockings to the schools so that the teachers may hand them out.

The purpose of this is to instill in the children a sense of belonging within the community, equality with their peers, and a feeling of belonging.

In 2019 we took over the local Christmas toy drive and handed out wrapped presents for families in need of a little SANTA help. We look forward to carrying on both of these traditions for many years to come.
